PRINCIPAL’S MESSAGE
After the abysmal weather on Monday, students were finally able to do their very best at our local cross country competition.

Students have been building up their endurance and fitness levels during morning huff ‘n’ puff sessions which enabled them to go so well this year. What was so impressive was the positive, give-it-a-go attitude of all the students. Not one student complained or tried to negotiate their way out of the event. Students with asthma managed this well allowing them to achieve their very best. It was especially satisfying to see so many students making vast improvements on last year’s competition.

The top three students in each age group and gender, with a competitive time, make it through to Division level. Congratulations to:

Jarvis  Burke  Kirra  Farrah  Sophie
Louise  Astrid  Daija  Mack  Jen
Chelsea  Malachi  Conor  Mack  Lucas

The Division level competition will be at Stony Creek Race Course next Thursday 2nd June. Information will be sent home Monday.

Thanks to Phil and Danielle for assisting and those who offered.

Bringing A Taste of France to Meeniyan- Très bien
Next week the Year Prep and One students will start learning French with Miss Lester. We have been trying to recruit a Languages teacher for a while now, and low and behold, Miss Lester is an experienced French teacher who has lived and worked in France.

Students will have a dedicated half hour lesson a week and it will be integrated into their Visual Arts session as well.
