

INCIDENT REPORT

The child safe standards require organisations that provide services for children to have processes for responding to and reporting suspected child abuse.¹ This resource can be provided to a child or their family if they disclose an allegation of abuse or safety concern at Tarwin Valley Primary School. Staff can also use this resource to record disclosures. All incident reports must be stored securely at the office.

Note for registered schools: a forthcoming Ministerial Order under the *Education and Training Reform Act 2006* will contain the minimum actions that schools must take to meet each of the child safe standards. There will be a lead in time before regulation will commence to allow schools time to prepare. The Department of Education and Training and the Victorian Registration and Qualifications Authority will provide information and materials specifically for schools to assist with capacity building and compliance.
