PRINCIPAL'S MESSAGE

Although a little scary to begin with, change is inevitable and throws up a whole range of opportunities. With Mr Smith the Acting Principal at Inverloch this term, I am the Acting Principal at Tarwin Valley and am relishing the chance to further not only my learning but the learning of Tarwin Valley school community

Other changes include Emma Lester moving into the Grade 6 classroom from Monday to Thursday where she is enjoying the opportunity of being a classroom teacher. Emma will continue with her French classes for the Prep – 2's on Friday's and will teach Art to the Grade 4/5's only. Sarah Oxley will take Art with the remainder of the school on Thursdays.

Being 11 weeks long, Term 2 always presents a wonderful opportunity for students to make advances in their learning. In the first two weeks of term, students will set clear goals for their learning so please make sure you have discussions with your children about where they want to take their learning this term. Having clear, short term and achievable goals are one of the key growth factors in a student's learning.

Next week we have two special events, the ANZAC Day holiday and the Grades 3-6 Cluster Sports Day at Foster. Each ANZAC Day, students are invited to attend the Morning Service in Meeniyam arriving at 8:45am for a 9:00am march. This is a special occasion to many people for many reasons and is highly valued by the school community. If you haven't been before, please come along and watch as your child marches with the rest of the community and pays homage to those that paid the ultimate price. For more information on the Sports Day please see the note provided.

Gene VanderZalm, Acting Principal
