## PRINCIPAL'S MESSAGE

Welcome back every one. We have a clear message for the students this term, 'Take Charge'. Taking Charge means being an active participant in your learning by setting clear goals, pursuing what interests you and making a difference in some way. Term 3 provides a fairly uninterrupted landscape of learning opportunities where students will have the chance to get their teeth into their schooling. Teachers are working closely with students to set clear and relevant goals but this all depends on the student's ability to 'take charge' of their choices. Parents can assist in this process by firstly coming along to the PST interviews set for next Thursday. At this meeting, students will explain aspects of their journey so far and where they would like to head next. It is widely recognised that the unity of Parent's, Students and Teachers all working towards the same goals has a major impact on student outcomes. Some great questions to ask your student in the meantime are:

- ❖ What would you like to improve or achieve at school this term?
- ❖ How are you going to go about that?

Keep the focus for your child on the process and their actions as these are what they can control.

We look forward to seeing you next week.

**Gene VanderZalm, Acting Principal**
