PRINCIPAL'S MESSAGE

With so much happening at TVPS over the past few weeks I thought I'd give you a quick recap:

Thinkers Conference

All 12 of the teaching staff at TVPS attended the Thinkers and Learners Conference at Kingswood Primary School last Friday. The day was highly engaging and provided many great ideas for preparing our students for the future. The number one message from the day was to teach students to be 'life-long learners'. According to their data, by the year 2050 60% of the jobs have not been invented yet and 40% of our current Preps will be Self-Employed. It is this future that highlights why developing a generation of 'thinkers' will be so much more important than older schooling systems of remembering facts. Creativity, Problem Solving and Social Skills are at the forefront of teaching and learning at TVPS and it is nice to know we are on the right track.

Winter Sport

Both the Girls and Mixed Netball teams have qualified for the Zone sports playoffs against the two other winning South Gippsland Districts. Both teams were successful last week against their Prom Coast opponents. The Football Team worked hard but the Prom Coast team were much deserving of their victory.

Cross Country

11 runners represented TVPS at the Zone Cross Country at Stony Creek last week. All runners improved markedly on their previous runs and relished the opportunity to mix it with the best runners from across South Gippsland. Between 80 and 100 runners were in each race with the top 12 moving on to the Gippsland Regionals. Congratulations Sophie Kenney on your 4th placing and all the best at Regionals.

Gene VanderZalm, Acting Principal

PST MEETINGS

PST Meetings will be held on Thursday 26th July (the second week of term 3). This is an opportunity for parents, students and teachers to meet and develop a positive learning relationship, acknowledge areas of strength and improvement and set goals. Classes run as usual on this day. Meetings during school hours will require parents collecting students from classes. Further information will be in next week's newsletter with bookings opening before the school holidays

LOST WINDCHEATER

A Year 2 student is missing a brand new size 8 navy blue windcheater that had not yet been named. Parents, especially those who have children in the grade 2 classroom, please check jumpers brought home from school.

It is important to name all items of clothing that your child brings to school to ensure they will be returned if they are misplaced.

HEAD LICE

We have had a report of head lice this week. Please check your children regularly and treat accordingly if lice/eggs are found. It is highly recommended that all family members are checked if head lice are found on a sibling.

CALENDAR

This week 13/6– 20/6

14th June – Hot lunch day (for those who ordered)

19th June – School Council

Upcoming

21st June – Division Winter Sports (selected students)

29th June – Last day of Term – School dismisses at 2.20pm. Buses will run 1 hour earlier.

16th July - Term 3 commences

26th July – PST Interviews
