Navy blue items are also available (without logo) at Target, Big W, Kmart etc. The Meeniyan Op Shop may also have second hand uniforms available.

School bags, library bags and pencil cases (supplied for Prep children) are purchased at the school.

FOOTWEAR:

As rooms are carpeted, children are asked to remove dirty shoes and rubber boots before entering classrooms. Thick socks or slippers may be brought to wear in the classroom, particularly in winter.

Sneakers or runners are required for PE and sporting activities. Unsuitable footwear may result in injury.

We recommend sandals which enclose, protect and support your child's feet during the warmer weather.
