## PRINCIPAL'S REPORT

The first line of our School Vision states: *We are a community of learners.*

What intrigues me about this sentence is the concept of *community*. I like to think that a community is more than a bunch of people in one place. Instead, I feel a community will contain a range of qualities and attitudes that foster a certain culture. So where do we start and which attitudes are worth improving? After some thought, I believe as good a place as any to start is empathy.

Students, staff and their families go through many ups and downs across the year and we're never all in the same place at the same time. I foresee that having understanding for others will be a most welcome attitude throughout 2021. This attitude is summed up beautifully in the statement below:

*Never be totally right.*

*Being right means you're done learning.*

*Being right means you're closed off from other ideas.*

*Being right means you're satisfied with where you are and not focussed on where you're going.*

*Never allow yourself to be totally right.*

Learning is a life and life is learning. The more you learn about something the more you realise you don't know 😊

## LOCAL EXCURSION FORMS

Thank you to those families who have returned their Contact Details, Local Excursion Consent and Chaplaincy Consent. Students with new enrolments for 2021 do not need to complete these forms as the enrolment form contains all the required information and consent. For existing enrolments, it is a legal requirement that we have a local excursion & travel consent form signed annually in order for the students to participate in activities/walks around the town. If we do not receive this consent for your child, unfortunately, the student must remain at school while these activities are taking place. This includes whole school activities such as walking to the Recreation Reserve for Stuart's Cup. A consent slip can be found at the end of the newsletter for families who have not returned this form.

## BEANIE ORDERS

We have Meeniyah PS beanies to purchase for those cooler winter months at a cost of \$20 each. There are currently 35 in stock, however we may place an order for more depending on demand. If you would like to purchase our beanies please complete and return the order form at the end of the newsletter. It will be first in best dressed for stock on hand.

## **RESPECTFUL RELATIONSHIPS**

There is nothing more moving than a kid's sporting event, the cheering, the chanting and the trying. It does not matter how many I go to, there are many moments throughout the day where my chin wobbles and my eyes get all wet (with joy, gratitude and happiness)

This happened on the weekend. I took my middle child to her first swimming meet for the summer. My first tear shed with gratitude that we could have an event like this, the air smelt of sunscreen and the pool was alive with parents, kids, coaches and little sunshades.

The second happy tear came when the captain chanted with the children. It takes my breath away to hear collective voices making excited noise, cheering and I was imagining my little one lip-syncing the chants as she followed along with these glorious older children.

The biggest happy tear came from watching a child in her yellow Morwell Swimming Club hat cheering my daughter on. When the event ended, she waited at the edge of the pool and said, "I don't care that you don't swim for Morwell, that was a great swim!" I have talked to my daughter many times about what it is to be kind for the sake of kindness, what it looks like to be a good sport but that little girl from Morwell Swimming Club was the one that SHOWED my daughter what that was.

Later in the day the little girl from Morwell Swimming Club finished one of her races and I watched my daughter walk the whole way around the pool just to congratulate this child on swimming her race. She knew how this kindness had felt when someone had gifted it to her so she "paid it back". I introduced myself to the little girl from Morwell's dad and shared the story of our girls and he was chuffed.

One child's desire to be kind and a good sport to another child ended up making 4 people feel happy!

Neither girl won a race, neither even placed for the day but neither opted out of the day and I think my daughter learned a lifelong lesson, from a little girl from Morwell Swimming Club!

## 2021 Stuart's Cup .. House Athletic Sports Friday 5<sup>th</sup> March @ Meeniy Recreation Reserve

### Dear Parents,

Next Friday, we again celebrate our wonderful House Sports, the Stuart's Cup. This event is the highlight of the year for many in our school community as it carries a beautiful community feel and is all about the participants. This year the day is reverting back to a one-day fixture with all team and individual events taking place at the Recreation Reserve on Friday.

Children are to wear a T-shirt/top in their house colour if possible - Wattle(yellow), Waratah (red) and Blue Gum (blue), Shorts (tracksuit/jacket if cold) and suitable footwear.

9:20am - Classes will be walked down to the recreation reserve by staff, arriving at 9.50am in readiness for a 10.00am start. Local Excursion and travel consent form must be returned by Thursday if you have not already done so.

Students will be seated in their house areas and will be able to join you for morning tea and lunch if you are able to attend. If your child goes home with you at the end of the sports, please notify the class teacher.

### WHAT IF?

If the weather is unkind to us, it will mean a cancellation of the event. We will take the weather and the forecast into account and make a staff decision at 8.30am. Please do not phone the school before 8.30am, we will post a News Item on 'Compass'. If the weather on the day is hot, the day's program will be modified. If you are unsure, send your children to school (prepared for the athletics and/or a normal school day) so that they will be ready if the sports go ahead.

### COMPETITORS REQUIRE:

T-shirt in their house colour - Wattle (yellow), Waratah (red) and Blue Gum (blue)

Shorts (tracksuit/jacket if cold)
