Dear Parent/Guardian,

Meeniy Primary School is looking forward to a great year of teaching and learning and would like to advise you of Meeniy Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students, by inviting parents to contribute via the Curriculum Contribution. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your financial support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the ability to provide additional resources giving our students opportunities that are above and beyond what is required in the standard curriculum and what is provided for by Government funding. Curriculum Contributions allow us to provide subsidies for some of our camps, excursions and sports days, together with our swimming program. Many other programs are made available because of your contributions including Kitchen Garden, Catching On, Welfare and MARC Library, along with additional resources for our Art, French & PE Programs. In past years we have been able to continue to update our resources within our Literacy & Numeracy, Mathematics and Technology areas due to Curriculum Contributions from families. All of these programs running alongside the traditional classroom teaching are imperative so as to provide an effectively balanced and rigorous overall education for your children.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Gene VanderZalm
Principal

School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
