## PRINCIPAL'S REPORT

This Thursday we will hold our first school concert in 3 years.

Normally, the planning and organisation of a school concert would be spread across 6 months.

The landscape of 2022 has meant that the organisation for this event has been compacted into just over 6 weeks!

What Tanya Jackson has managed to achieve this term has been monumental. She has almost single-handedly developed this whole production, a totally original piece, that will remind us all of why we cherish our concerts so much.

It is crazy to think that our Grade 2 students have never been on the big stage, and it is for this reason that we have pushed so hard to put this production on in 2022. We couldn't make it 3 years!

Like every concert there is sure to be the odd mistake or movement out of place but that is all part of the experience, and the show will roll on. We hope you all enjoy the concert as much as we do and when you get the chance, make sure you thank Tanya for all her work 😊

**Gene VanderZalm, Principal**

## SCHOOL CONCERT

### **Evening Performance – SOLD OUT**

- Base costumes should now be at school in your child's classroom
- Students are to arrive at the hall for **6.40pm** on Thursday evening, dressed in their base costumes they have gone home in.
- If you are taking your child home with you from the matinee performance, please ensure you let your child's teacher know before leaving the hall.
- The performance will conclude by 8pm. We really appreciate the help we get from families packing up chairs etc after the performance. With many hands, it does not take long at all!

Thank you - Fin, Josh, Jensen, Nico, Liam, and Cole

## **RESPECTFUL RELATIONSHIPS**

There are lots of things in life that we have to do, things that are not optional. While at times these things might feel like a bit of a drag, we know that these chores are not a choice, if we don't do them there will be consequences e.g., if I don't pay my electricity bill, my power will be cut off.

There are also things that are a 'choice', things that might be really good for us, for so many reasons but we still have the choice to opt in or opt out.

It might look easy for someone to 'opt in' but in a world striving for perfection, to 'opt in' can mean we need to take some risks. To 'opt in' can expect bravery and a mind which is open to failure, mistakes and flaws.

What helps me when considering whether or not to grasp an opportunity is I ponder on the payoff 'what will happen if I don't take this opportunity?' It sounds easy, but it is not always, it can be scary putting yourself out there.

Today, I celebrate those who are 'opting in', even though it feels scary. I am seeing this everyday across all the schools I work at, and it is moving and impressive. It might be contributing to a classroom discussion or going to a sport meet or entering a spelling comp. It might be saying yes to play with someone you don't usually play with or going on camp, even though you know you will miss your family.

We only get one wild precious life.

*Donna Giliam, Primary Welfare Officer*

### Meeniyán Quarry – by Sullivan

Some boys in grade 3/4 decided to build a quarry near top flat. We bought equipment in, Tonka trucks, loaders, John Deere Excavators, tractors and other machinery. We are excavating out the area to make pits and roads. Some of our workers get loads of gravel to spread out where the roads would go. We also marked out the lanes of the roads with spray paint. We have found lots of clay and charcoal. We are still working on the quarry to make it even better.

In 3/4P Sully and Hudson have created a realistic Lego: La tour Eiffel (Eiffel Tower). Bravo!

## CHILD SAFETY STANDARDS WHAT WE EXPECT AT MEENIYAN PRIMARY SCHOOL

- ❖ We have zero tolerance of any abuse of children.
- ❖ We have policies and procedures in place to protect the care, safety and welfare of children.
- ❖ There are clear boundaries about how adults in our school community may interact with our students.
- ❖ The new Child Safe Standards go further than child protection arrangements did in the past.

- ❖ To ensure you know how we are keeping your children safe at school, and how we would like you to support us.
- ❖ Unsupervised contractors will be asked about their child safety arrangements as a condition of working with us if they work with children enrolled in the school (or children can reasonably be expected to be present while they are at the school).

Please see further information on Child Safe Standards on our school website.

Last week featured a very special day, **R U OK? Day**. At Our Patch we looked at the different ways we can ask someone if they are OK, and who they each can talk to if they need someone to confide in. Last week's goal was for children to

### Important Dates:

- Hats must be bought for ASC
- Wellbeing Wednesdays
- Friday 16<sup>th</sup> September 2.20pm finish
- Footy Colours Day Friday 16<sup>th</sup> September

become socially responsible and show respect for the environment. For our afternoons we went out and gathered natural resources to use for arts and crafts, we played plenty of sports outside, did some colourful painting with rocks and paper, had some delicious nachos, and enjoyed our beautiful sunsets.

We would also like to introduce and welcome our new Patch Educator, Paige. Paige began

her first day here last week and some of the children and families have been lucky enough to meet her already. Paige will be with us for both Before and After School Care every day and is looking forward to meeting the rest of our lovely school community!

Our program goal for this week is for children to become strong in their social and emotional wellbeing. We will be doing a lot more Kindness Circles and focus on building our positive wellbeing as well.

We look forward to another exciting week with the children! 😊

### A few reminders for parents/carers:

- Please be aware that parents/guardians must book their child in or cancel their booking prior to when the session starts. This is so that us educators can better plan the sessions for the children and cause minimal disruption. If an emergency booking is to be made, or your child/ren have been picked up from school, please let us know either by calling, texting or emailing.
- I would like to also remind parents/carers that on our welcome table in the classroom there is a communication book where both parents/carers and your children will be able to write down any ideas, improvements, or notes on the program. We also have a Reflection Journal that is worked on both the team and the children that is free for anyone to come and peek at what we have been doing each week at Our Patch.

# DOUBLE THE FUN!

**WOW, WHAT A GREAT START.** The Fun-Raising started on Tuesday and more than half of all M.P.S families have set up their profile pages and are off to an enthusiastic start on their fundraising drive. Well done to those students and families. Make sure if you have not done so already that you get online with your Parent or Guardian and follow the simple steps in the Monty Handbook to create your own cybersafe fundraising profile page. There are lots of incentive prizes for students up for grabs along the way. Next term, we are hosting a **Colour Splatacular School Fun Run** to raise money for the Covered Outdoor Learning Area and to give the students a well-earned afternoon of fun after their fundraising hard work.

**Did you know?** Students raise 3 times more when they fundraise online!

Visit [www.australianfundraising.com.au](http://www.australianfundraising.com.au). You have until 4/11/22 to fundraise, so make sure you get cracking!

The more they raise, the more prizes they receive. Each prize is ordered automatically, so you don't need to worry about prize ordering! You can see what the incentive prizes are in the sponsorship booklet provided.

**Share in \$200,000 worth of extra prize credit!** Achieve bigger prizes by helping your child earn bonus credit on their online profile. By creating an avatar, sharing your page with friends and reaching milestone donations, you can share in \$200,000 of extra prize credit!
