## POLICY

### 1. School profile

Meeniy Primary School is set in the rural district of South Gippsland and has an enrolment, which fluctuates between 140 and 160. The school is based in Meeniy and provides for students from Meeniy, Dumbalk, Stony Creek, Buffalo, Middle Tarwin and neighbouring districts.

The school has made significant progress in improving school connectedness, student behaviour and student wellbeing through policies and programs that are proactive, responsive and consistent. The *Attitude to Schools* and *Parent Opinion* surveys reinforce the efforts of the school community to improve school connectedness with *connectedness to school and peers* being an issue for a small numbers of individuals rather than the cohort.

Students enjoy a curriculum that explicitly and successfully teaches fundamental skills in authentic, inclusive and challenging contexts. At Meeniy we believe that education should be engaging and authentic and our classroom programs reflect this by embedding learning in rich and purposeful educational experiences that develop and apply strong literacy and numeracy skills within and beyond the classroom. The Meeniy Primary

School curriculum has evolved to making learning interesting and purposeful with the introduction of a sequential, consistent and practical approach to the Thinking Curriculum and Information and Communication Technology and the use of rich contexts to make learning meaningful.

The school has made a significant impact on school safety through the introduction and regular updating of the Right to Learn and Anti-Bullying policies and the consistent and ongoing implementation of these policies. The student data indicates a very high opinion of school safety with student safety, classroom behavior, student morale and absence of student distress well above the state average.

## 2. School values, philosophy and vision

Meeniy Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.
